2009 SEASON AT THE LENAPE REGIONAL PERFORMING ARTS CENTER

Linda Eder – The Holiday Show
December 19th @ 8:00pm
Tickets: \$60

In a fitting conclusion to another season, Lenape favorite Linda Eder marks her return to the Center with a revival of her always anticipated Holiday Concert, which has been a staple here and across the country following the success of her holiday release *Christmas Stays the Same*. In a program bound to include an eclectic mix of seasonal standards, fan favorites, and original compositions, Ms Eder's performance is sure to be memorable thanks to her world renowned voice and her gift of making even the most familiar songs sound like you are hearing them for the very first time.

Dear Arts Supporter,

The Lenape Regional Foundation, in residence at the Lenape Regional Performing Arts Center, is pleased to collaborate with the Evesham Celebrations Foundation in a program that will benefit both of these community based organizations. For each full price ticket that is sold through the efforts of the Evesham Celebrations Foundation to our upcoming performance by Linda Eder, we will donate \$10 back to the ECF to support their invaluable community programming for the residents of Evesham and the region.

In order to attribute a portion of your full price ticket purchase to the ECF, please mention this offer when you make your purchase, and then forward this form by email, postal mail, fax, or in person to confirm your support of ECF. Forms **MUST** be returned to the box office at the address above or via email to managing director Michael Drzik at drzik@sjtheater.com in order to complete the donation process. Thank you in advance for your support of both of our organizations.

Sincerely,
The Lenape Regional Foundation
